

Scopus' CITEI 2020
 Conference on Internet of Things and Embedded Intelligence
 July 29-30, 2020 | Yogyakarta, Indonesia
<http://citei.intconference.org/>

Organized by:

ESPCAD
 Embedded Systems and Power Electronics Research Group (ESPERO), Communication Network and Information Security (COMNETS) and Data Science & Intelligence Systems Research Group (DSIS) in collaboration with Universitas Ahmad Dahlan and Institute of Advanced Engineering and Science (IAES). This year's theme of conference is "Making the Industrial Internet of Things to New Heights and Machine More Intelligent with Artificial Intelligence". This conference will be held in Yogyakarta, Indonesia on July 29-30, 2020. CITEI 2020 will target a wide spectrum of the state-of-the-art as well as emerging topics pertaining to IoT, Smart Cities & Big Data Analytics, Robotics & Artificial Intelligence Systems, High Speed Communications Systems, Embedded Systems and Cybersecurity, to attract a large number of high-quality submissions and stimulate the cutting-edge researchs/discussions among many scientists/pioneering researchers/scientists and industrial engineers/ leaders from all around the world. This makes the CITEI conference one of the publication venues with very high visibility and impact in Computer, Robotics and Communications areas. Prospective authors are invited to submit their original technical papers up to 8 pages of length, using the IEEE LaTeX format (IEEE JOURN) to various CITEI 2020 tracks. Acceptance will be based on quality, relevance, and originality. Best Paper Award will be presented after the conference held.

All presented papers in this conference (after selection & revisions based upon feedback at the conference) will be published in one of the "Scopus Indexed" journals below:

- Indonesian Journal of Electrical Engineering and Computer Science (IJECCS)
- IAES International Journal of Artificial Intelligence (IJ-AI)
- International Journal of Evaluation and Research in Education (IJERE)

Conference Tracks

- Track I: Internet of Things, Smart Cities & Big Data Analytics
- Track II: Robotics & Artificial Intelligence Systems
- Track III: High Speed Communications Systems
- Track IV: Embedded Systems and Real Time Computing
- Track V: Cybersecurity
- SS Track - IoT in Healthcare and Agriculture

Conference Fee*

Local Participant	Early Bird (IDR)	Normal (IDR)	Special Facilities
Speaker (Professional)	3,500,000	3,500,000	Free one (1) registration and publication fee for every five (5) papers registration of yours and your colleagues
Speaker (Student)	2,000,000	2,500,000	
Accompanying Person	1,500,000	2,000,000	
International Participant	Early Bird (USD)	Normal (USD)	
Speaker (Professional)	300	350	
Speaker (Student)	200	250	
Accompanying Person	120	150	

*Registration, Journal Indexed Journal Publication Fee and Hotel Room

CALL FOR PAPERS

"Making the Industrial Internet of Things to New Heights and Machine More Intelligent with Artificial Intelligence"

Submission Deadline: **Extended to March 5, 2020**

Tracks: [General Chair](#), [Keynote Speakers](#), [Important Dates](#)

In collaboration with:

UAD
 Universitas Ahmad Dahlan

IAES
 Institute of Advanced Engineering and Science

GENERAL CHAIR

Tole Sutikno, Ph.D.
 Director, Embedded Systems & Power Electronics Research Group
 Institute of Advanced Engineering and Science

KEYNOTE SPEAKERS

Md. Mamun Ibne Reaz, Ph.D.
 Associate Professor, Robotics & AI Design
 University of Malaya

Selvakumar Manickam, Ph.D.
 Associate Professor, Robotics & AI Design
 University of Malaya

Nuryono Satya Widodo
 Director, Robotics Development Community (RDC)
 Institute of Advanced Engineering and Science

IMPORTANT DATES

Deadline for Papers Submission:
Mar 5, 2020 (Extended)

Accepted Notification: Apr 5, 2020
 Early Registration Due: Apr 27, 2020
 Registration Due: May 27, 2020
 Camera Ready Due: May 27, 2020
 Conference Date: Jul 29-30, 2020
