

About Conference

The 2th CSID AUN-SCUD International Conference on Sustainable Infrastructure and Urban Development (CAIC-SIUD) is a biennial conference series on infrastructure and a place for stakeholders to share their insights on the new advances and research results. In CAIC-SIUD 2018, more than fifty manuscripts related to infrastructure and sustainability have been presented. This year we are proud to announce the conference will be held from September 14-15, 2020, in the beautiful island of Bali Indonesia with Shaping Sustainable Future and Improving Competitive Advantages Through Digitalization, Technologies and Added Value as its theme. We are looking forward to seeing you in Bali.
