

ISITDI 2022 provides an international forum for those who are actively involved in Engineering and Digital Technology to present and discuss their research results. This symposium is organized by the Faculty of Information Technology of Andalas University and Dharma Andalas University. ISITDI 2022 will be held on July 27th – 28th, 2022. To prevent the spread of COVID-19, this symposium will be held online.

On behalf of the ISITDI 2022 committee, we welcome all researchers, engineers, academicians, and industry professionals from all over the world to this wonderful virtual symposium. We look forward to receiving the papers in order to be disseminated to a broader audience. The paper submission deadlines are March 1st, 2022 and May 16th, 2022 (Extended).

Accepted papers will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements.
