

The 13th SEA Regional Scientific Meeting of the International Epidemiological Association and International Conference on Public Health and Sustainable Development

About the conference

The 13th Southeast Asia Regional Scientific Meeting of the International Epidemiological Association (IEA) jointed with International Conference on Public Health and Sustainable Development will be held on 2-5 October 2018 in Sasur Prime Plaza, Bali, Indonesia.

The conference aims to overview what epidemiologists and public health professionals can do to enhance the implementation of evidence based health policy for SDGs achievement. The conference will be a forum for epidemiologists, public health professionals and public health policy makers in knowledge sharing to improve their capacity and contributing to the achievement of SDGs particularly in their respective countries and Southeast Asia Region in general.

Speakers

Prof. Umesh Kapil
(South East Asia Regional Director of the ICA)

Prof. Syed Aijaz
(Rajshahi University)

Prof. Vinsaldi Chongkavutwong
(Prince of Songkla University)

Syan Yi, MD, PhD
(National University of Singapore)
