CALL FOR PAPERS

"Making the Industrial Internet of Things to New Heights and Machine More Intelligent with Artificial Intelligence"

Submission Deadline
Extended to March 9, 2020

CITEI 2020

Conference on Internet of Things
and Embedded Intelligence

July 29-30, 2020 | Yogyakarta, Indonesia

<http://citi.inconference.org/>

About Conference

2020 "Conference on Internet of Things and Embedded Intelligence (CITEI 2020) is a premier international academic conference organized and hosted by the Embedded Systems and Power Electronics Research Group (ESPERG), Communication Network and Information Security (COMNETS) and Data Science & Intelligence Systems Research Group (DSIS) in collaboration with Universitas Ahmad Dahlan and Institute of Advanced Engineering and Science (IAES). This year's theme of conference is "Making the Industrial Internet of Things to New Heights and Machine More Intelligent with Artificial Intelligence". The conference will be held in Yogyakarta, Indonesia on July 29-30, 2020. CITEI 2020 will target a wide spectrum of the state-of-the-art as well as emerging topics pertaining to 5G, Smart Cities & Big Data Analytics, Robotics & Artificial Intelligence Systems, High Speed Communications Systems, Embedded Systems and Cybersecurity. It attracts a large number of high quality submissions and stimulates the cutting-edge research discussions among many outstanding research researchers/academics and industrial engineers from all around the world. This makes the CITEI conference one of the publication venues with very high visibility and impact in Computer, Robotics and Communications areas. People wishing to submit their original research papers, technical papers, and all types of papers, including an abstract, are invited to submit their CITEI 2020 tracks. Acceptance will be based on quality, relevance, and originality. Best Papers Award will be presented after the conference finish.

All presented papers in this conference (after extension & revisions based on reviewers' comments) will be published in one of the "Scopus indexed" journals below:

- *International Journal of Electrical Engineering and Computer Science (IJEECS)*
- *IAES International Journal of Artificial Intelligence*
- *International Journal of Evaluation and Research in Education (IJERE)*

Conference Tracks

- Track I: Internet of Things, Smart Cities & Big Data Analytics
- Track II: Robotics & Artificial Intelligence Systems
- Track III: High Speed Communications Systems
- Track IV: Embedded Systems and Real Time Computing
- Track V: Cybersecurity
- SS Track: IoT in Healthcare and Agriculture

Conference Fee*

Local Participant	Early Bird (IDR)	Normal (IDR)	Student Facilities
Speaker (Professional)	3,000,000	3,500,000	Free on site (1) registration and publication fee for every 10 (10) papers and 10 (10) posters and 10 (10) posters
Speaker (Student)	2,000,000	2,500,000	
Accompanying Person	1,500,000	2,000,000	
International Participant	Early Bird (USD)	Normal (USD)	
Speaker (Professional)	300	350	
Speaker (Student)	200	250	
Accompanying Person	120	150	

*EXCLUDE: SCOPUS Index Journal Publication Fee and Travel Expense

GENERAL CHAIR

Tole Sutikno, Ph.D.

Associate Professor, Department of Information Systems, Faculty of Computer Science, Universitas Ahmad Dahlan

KEYNOTE SPEAKERS

Md. Mamun Ibne Reaz, Ph.D.

Professor, Embedded Systems & E-Design, Department of Computer Science and Engineering, Bangladesh University of Engineering and Technology

Selvakumar Manickam, Ph.D.

Associate Professor, School of Physics & Optoelectronic Technology, VIT-AP

Nuryono Satya Widodo

Associate Professor, Department of Information Systems (IS), Universitas Ahmad Dahlan

IMPORTANT DATES

Deadline for Papers Submission:
Mar 5, 2020 (Extended)
 Accepted Notification: Apr 5, 2020
 Early Registration Due: Apr 27, 2020
 Registration Due: May 27, 2020
 Camera Ready Due: May 27, 2020
 Conference Date: Jul 29-30, 2020
