AINiC 2021 CALL for ABSTRACT

Today, with our greatest pleasure we invite you to gather and participate in The3rd Andalas International Nursing Conference (AINiC) 2021.

”Technology in Nursing Education and Practice Current Challenges and Innovations”

Covid-19 has shifted nursing practice and education over the past years, but it is not a reason to hold back the progress or moving backward. The persistent challenges is always around that we need to keep continuing to take a look at the latest trend and adapt with post-pandemic situation ahead.

We are looking forward to reconnecting everyone in the healthcare field to discuss and share their latest experience in this academic occasssion and gathering.

Click the link below to look up for more information about how to prepare and submit your research:
